Amateur Kabaddi Federation of India has decided that all affiliated States/UTs should **select the players of their respective state/UT only** as by selecting outside players in the team not only deprives the players of the respective state/UT but also at the very same time does not help in developing the Game in all the States/UTs.

Selection of outside players for extraneous considerations is detrimental to the growth of players and no certificate of any type will be issued by AKFI.

Hence, it is directed that team of State/UT should include the players of their State/UT only. No player is allowed to change the chest number which is mentioned in the Entry-Form without informing the Referee In-charge in writing.

The Coach, Manager of the team along with Secretary and President of the affiliated unit will be responsible for the compliance as per declaration on the Entry Form.
